

## Build a Number

This game can be played by two or more people. On cards, cut and paste the numerals 0 through 9. Shuffle the cards and place them face down. Draw the top card. Decide which place you would like to write that numeral, the ones, the tens, or the hundreds place. Continue to draw cards until all the places are full. Who has created the largest number?

Three digit game:

_____	_____	_____
_____	_____	_____
_____	_____	_____

Four digit game:

_____	,	_____	_____	_____
_____	,	_____	_____	_____
_____	,	_____	_____	_____
